

## **Type SE Spectra RMS™ Circuit Breakers**

**WARNING:** This SE frame circuit breaker is NOT SUITABLE for use in GE type CCB panelboards, AV Line® group mounted switchboards, or in similar equipment of other manufacturers. Failure to observe this warning may result in severe personal injury and/or equipment damage. Contact factory for proper replacement.

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the GE Company.
